Re: Request for Amendment of Waiver (DA 12-1227)
WT Docket No. 99-87

Dear Madame Secretary:

First Student, Inc., a division of FirstGroup America ("FGA"), pursuant to Section 1.925 of the Federal Communications Commission ("FCC") rules and Public Notice, DA 11-1189, hereby requests to amend its FCC granted waiver of FCC Rule Section 09.209(b)(5)¹. Specifically, FGA requests to modify the specific call signs for which the deadline was extended to January 1, 2014.

Due to priority shifts and weather-related delays associated with Hurricane Sandy, 125 of the systems FGA planned to complete on or before January 1, 2013, will not be accomplished and; further, during continued due diligence, 31 additional systems have been identified as also requiring narrowbanding system modifications for which an extension to January 1, 2014, is required. This request to amend the list of call signs for which an extension to January 1, 2014, is required therefore contains 156 additional systems (See Exhibit B).²

Your consideration of this amendment to our current waiver will be appreciated.

FIRST STUDENT INC.

Respectfully Submitted,
